

## **Teacher Resources for Safety**

Here are some safety related topics to teach. Please note that most of these are from the WORKSAFEBBC site and are from 2001. However, these concepts do seem timeless and important.

**Grade 10-12 Focus:** Young Workers <https://tinyurl.com/young-new-workers>

---

**Middle School:** Learning how to do jobs safely- Transferable safety skills  
<https://tinyurl.com/lesson-safety-skills>

**Visuals for lesson** <https://tinyurl.com/safety-skills-visuals>

**Handouts and answer key for lesson** <https://tinyurl.com/handouts-safety-skills>

---

**Elementary:** Lesson Common hazardous material and emergency response  
<https://tinyurl.com/lesson-hazardous-material>

**Handouts for Common hazardous material and emergency response**  
<https://tinyurl.com/handouts-hazardous-material>

---

**Situations for children at home, school or in the community parts 2-7**  
<https://tinyurl.com/situations-safety-concerns>

**Handouts for Situations** <https://tinyurl.com/situations-handout>

---

**Safety Rules Lesson** <https://tinyurl.com/lesson-safety-rules>

**Handouts for Lesson Safety Rules** <https://tinyurl.com/handouts-safety-rules>

**Visuals for Lesson Safety Rules** <https://tinyurl.com/visualssafety-rules>
